WORK EXPERIENCE

UNIVERSITY PROJECTS • PART-TIME WORK

EMPOWERLIFE CO., LTD.

2026–PRESENT

Video Editor

- Edit short-form content for TikTok, including TikTok Shop videos (linked to products), educational content, health & supplement content, and short podcast clips.
- Edit raw footage into tight videos ready for the platform, using pacing, visual sequencing, subtitles, sound and supporting graphic elements.
- Edit video structure and presentation for short-form social media content, maintaining clarity of message and visual consistency.
- Get final deliverables ready for ongoing digital content publishing and support efficient production workflows.

IMAGINE IF OUR CATS WERE ASTRONAUTS PROD.

2024

Art Director & Graphic Designer, University Project

- Developed the artistic concept of the project in art direction, graphic design and promotional communication.
- Created key visuals and social media assets with a consistent mood, tone and visual identity.
- Translated the visual concept of the film into promotional materials to create a cohesive audience facing identity.

SUPERSIX SHOP

2024

Part-time Graphic Designer

- Created social media graphics and promotional artwork for gaming and esports content, ensuring a consistent visual direction for posts.
- Developed engaging campaign assets and player-focused communication content.
- Utilized composition, typography and visual hierarchy to effectively communicate information in social media formats.

MUGEN PRODUCTION PROD.

2024

Art Director, University Project

- Created visual concepts based on story, mood and creative references to guide set, prop and graphic direction.
- Worked together in pre-production and during production to keep visual direction.
- Translated creative ideas into final key visuals and promotional materials, balancing creative ideas with practical production needs.
